

# WAR SETTING FOR ARMISTICE DAY

## What You Buy With WAR BONDS

When the American Expeditionary Force landed in Ireland recently newspapers reported the citizenry remarked at the similarity of the steel helmets worn by our boys with those worn by German troops. These steel hats are protection from shrapnel fragments and other light missiles. We need thousands of them for they are a regular issue to every American soldier.

A smart strap fastens under the chin and they are padded for comfort. One steel helmet costs \$5 so every time you fill a \$5 stamp book you are buying protection for an American soldier. Invest at least ten percent of your income in War Bonds every pay day. Help your community reach its War Bond Quota.

## ELECTION TUESDAY TO BRING LIGHT BALLOT

The general election to be held on Tuesday (tomorrow) will result in a light vote being cast in Texas, it was forecast Monday.

The ballot contains constitutional amendments which should be defeated and the voters are urged to cast their ballots against these proposals.

At the Milam county court house all ballots had been sealed in boxes and Sheriff Valter White Monday completed delivery to the 49 voting precincts.

There are no candidates opposing county or district officials. The July primary is tantamount to a decisive election in Texas.

## ALVIN DUSEK HEADS COMMUNITY CHEST

Alvin Dusek, Cameron druggist, heads the Cameron Community Chest for 1942-43 following meeting on Wednesday night at which time officers and directors were elected for the coming year.

The meeting, held in the Chamber of Commerce rooms, heard fine reports from the previous year. It was announced by Mr. Dusek that 98 per cent of the pledges for last year have been paid.

A budget for \$3,330 was adopted for this year and the Chest drive will start this week.

Officers for the new year are: Alvin Dusek, President; Albert Collins, Vice President; Mrs. W. O. Triggs, Treasurer and Homer McLane, Secretary.

The directors are: John Jeter, J. M. Boehner, Ralph Michalka, Mrs. Bennie Winfield, Mrs. Carl Black, Drayton McLane, Alvin Dusek, F. G. Blake, Geo. Childress and Mrs. W. O. Triggs.

## Six Cameron Boys Get in Naval Task Force to Win War

Six Cameron boys were enlisted Monday in a special Texas Task Force to win the war.

They have gone to the navy and are: Robert Lee Salach, Lawrence C. Schiller, Edwin A. Stecher, Thomas Edward Brashear, Coy Dees and Willie Smith.

They are the first to be reported for the navy since the organization of the Citizens Committee of which L. Van Perkins is Chairman.

The boys left Cameron Monday morning and will be assigned to a special Texas Task Force.

Mr. and Mrs. Joe Roznor of Buckholt are the proud parents of a baby girl born at the Newton Memorial Hospital Tuesday. The baby weighed eight and a half pounds and was born at 2:30 p. m. Tuesday. Both are doing nicely.

### CAMERON MAN HIT BY TRAIN DIES HERE

John Watson, 50, of Cameron died at 3 a. m. this morning in the Newton Memorial Hospital, from injuries sustained around 9 p. m. Wednesday when struck by a freight train on the Santa Fe tracks in the western edge of the city.

According to officers who reached the scene of the accident shortly after Watson was struck by the train, deceased was driving some cows home from a pasture.

Deputy Marshal Dan Lunsford and Jim McGoldrick reached the scene of the accident shortly after Watson was injured. Residents nearby the scene of the accident heard Watson crying for help and summoned the officers.

Watson, with both legs severed was found near the tracks and between the Cameron Compress switch crossing and the tower of the Santa Fe.

Watson was taken to the Newton Memorial Hospital where he lived until 3 a. m.

According to officers who gave their version of the accident, Watson stepped on the main line of the Santa Fe and did not see the oncoming freight because another train was in the siding and the noise of it was confused with the incoming freight.

Watson was a veteran of World War No. 1.

Funeral services will be held Friday at 2:30 p. m. at Gause with Rev. J. C. Solomon, minister of the First Presbyterian Church in Cameron, officiating. Members of the American Legion will have charge of the services at the grave. Interment will be made in the Gause cemetery with the Green Funeral Home in Cameron directing arrangements.

Surviving are three sisters, Mrs. Bertha Burrough of Austin, Mrs. Pearl Smith of Dallas and Mrs. Rudolph Kohutek of Cameron.

One brother, Jess Watson is in the United States Navy and stationed in the Panama Canal zone.

## TURKS TOLD NAZI TO ATTACK OTTOMAN STATE

United States submarines Saturday sent 7 Japanese ships to the bottom, one of them a converted aircraft carrier, it was announced officially by the navy department Monday.

The sinkings were made at the close of a battle in which powerful units of the Japanese high seas fleet took part in an effort to force surrender of Guadalcanal.

The Japanese fleet was whipped and driven from the area by combined naval and army aircraft.

It was said in Washington Monday that the Japs are expected to renew the battle.

In addition to the seven ships sunk the Americans damaged three other vessels.

United States bombers under General MacArthur have begun a day in day out bombardment of Jap installations and bases.

Meanwhile a sensational turn of affairs in the middle east brought Turkey into the foreground. President Ionu of the Ottoman empire warned his congress that Turkey will soon be attacked.

Turkey is nearer war than at any time since hostilities opened in Europe, he said. Germany no doubt will attack Turkey because of her alliance with Britain. This would bring to war the borders of India.

Fighting had broken out on 3 fronts in China where General Stilwell, was in charge.

The Australians have surrounded the left flank of General Rommel in North Africa and it was expected satisfactory results would ensue from the allied offensive.

The Reds were confronted with a new German offensive in the Caucasus region. The battlefront at Stalingrad was quiet after 68 days of siege.

—Work or Fight—

## ITALIANS SAY BRITISH AT MALTA FOR INVASION

The German army under General Rommel in Egypt has been badly shattered by a devastating British attack and is in disorderly retreat, said a noon broadcast from Cairo.

The British aided by American airmen have apparently delivered the long hoped for knock out blow to Rommel's army.

A Swiss report said that General Rommel is not in Egypt but is ill in Berlin. In that event he would escape the wrath of Hitler who has never dealt kindly with generals who lose.

Thousands of Axis prisoners are being taken by the British who are using American tanks and other equipment.

It was not unexpected that when the final story is written of the end of Rommel that Americans, were in the fight.

The first General in command to Rommel has been killed and the third in command has been taken a prisoner.

At noon it was said the Italians are surrendering in large numbers and have been left behind by the Germans.

The German army was reported hemmed in and facing immediate capture.

A Turkish report that 4 German divisions had been ordered to Africa from the Russian front was not given credit.

From Italy came the report that the British fleet has been massed at Gibraltar for an invasion of Europe through Italy.

If the fighting in North Africa can be ended with a British victory the invasion would have greater chances to succeed.

Included in the spoils of Rommel's army are some 600 German planes shot down the past two weeks, hundreds of tanks and cannon. Prisoners by the thousands are being taken.

In Stalingrad the Reds are throwing the Germans back with heavy losses. On the whole it was the brightest picture for the Allies since the war began. True, it is something like making a first down in the third quarter while your opponents leads you 30 to 0 but there was still another quarter and the home team was gathering strength and faith.

Thelbert Crittenden, of the Hefley-Stedman Motor Co., was in Houston over the week end.

## Ray Hubert Brashear Makes Progress in Air; Now at Lubbock

Aviation Cadet Ray H. Brashear of Cameron, son of Mr. and Mrs. J. C. Brashear, has reported at the Lubbock Army Flying School, Lubbock, for the final lap of the training which is preparing him for the silver wings and gold bars of an Air Force Flying Officer.

At the large Lubbock twin-engine school, commanded by Col. Thomas L. Gilbert, Cadet Brashear will complete the training he began at Sikeston, Mo., and continued at Randolph Field. Upon his graduation he will be commissioned as a second lieutenant and assigned to active duty with an Air Force unit.

## FUNERAL SERVICES FOR MRS. LOUISE DUNWORTH

Mrs. Rhoda Louise Dunworth died in Stillwater, Okla., Oct. 28, 1942.

She was formerly Mrs. Long of Milano, a sister of Mrs. John W. Hairs-ton of Marlow.

She was buried at Milano, Nov. 2, 1942, with the Marek-Burns Funeral Home in charge.

She is survived by four children. Her son of Long Beach, Calif., accompanied her body here from Stillwater.

There were 1,805,446 single unit dwellings in Texas in 1940.

## WHAT TO DO ON GAS RATION DAY

The plans for registration for gasoline Ration books have not been completed because all of the supplies and instructions have not been received by the Milam County Ration Board. The following information will aid you in obtaining your Gasoline Ration books:

1. Place of Registration: Your School buildings. In some of the smaller districts they will not conduct registration. Consult your local paper or ask your local school officials.

2. Date—November 12, 13 and 14, 1942. Some schools will dismiss classes one day for the registration. If you can not register on that day, go to the nearest town that holds registration on all three days.

What to Do.

1. Obtain from your Filling Station an OPA Form A-534. (Tire Record and application for Basic Mileage Ration Book A or D.)

2. Fill out Form R-534 and sign it.

3. Bring or send Form R-534 and your 1942 State Automobile License Receipt to your School House.

Note—The person designated as owner on the 1942 State License Receipt must sign the application (Form R-534) if the ownership has changed since the receipt was issued you must apply to the Milam County Ration Board and not at the school house.

4. If you want to apply for additional Mileage (Gasoline) obtain Form R-535 and send it to the Milam County Ration Board.

## George Hanel Enlists In Air Corps; Gets Mechanic Rating

George Hanel has enlisted in the United States Army Air Corps, and is a specialist in airplane mechanics.

He has been in Corpus Christi for about one year in the civil service to which place he was appointed upon completion of special training. He was 26 years old on Sept. 15th.

George is the son of Mr. and Mrs. F. J. Hanel of Cameron. Mr. Hanel has been with Cameron Machine Shop for years.

Clarence Hanel, another son, is at Inks Dam plant taking special training as a mechanic. He hopes to enlist as soon as his courses are completed. He is 18 years old.

Mr. and Mrs. Joe Ruzicka of Buckholts are the proud parents of a baby girl born at the Newton Memorial Hospital Tuesday. The baby weighed eight and a half pounds and was born at 2:30 p. m. Tuesday. Both are doing nicely.

## Patriot's Quotes

"Sweet land of Liberty of thee I sing 1644 1718"

NO advantage shall be taken on either side.

William Penn

With these words Penn summarized one of the most unique treaties in history. Never recorded in writing, yet never violated, it was the pact made with the Indians in 1682 to secure peace for the Quaker colony.

## MRS. MARY LAZEK DIES AT HOME HERE SATURDAY

(From Saturday's Daily)

Mrs. Mary Lazek, pioneer resident and a native of Czecho-Slovakia, died at the family residence at 305 Orchard Street at 9 a. m. Saturday, October 31, 1942.

News of her death came as a shock to the entire city.

Funeral services will be held at 9 a. m. Sunday morning November 1, at St. Monica's Church with interment in the Catholic Cemetery. Rev. Geo. Duda, pastor, will read the funeral Mass.

She was born in Czecho-Slovakia in 1862, and came to Milam county in 1903, with her husband and 4 of their children. One daughter, Mrs. Agnes Kovar died in 1928.

Fred Lazek, Sr., prominent Cameron business man, is a son of the deceased.

Surviving are her husband, Kaspar Lazek, also a native of Czecho-Slovakia; three children Fred Lazek, Sr., of Cameron; Fabian Lazek and Mrs. Minnie Kotrola, all of Cameron. Eleven grand children survive.

The body will be at the family residence until the funeral hour Sunday morning. The Marek-Burns Funeral Home will have charge of funeral arrangements.

## JACK HENDERSON NAMED FIRE CHIEF IN CAMERON

Jack Henderson, veteran member of the Cameron Fire Department, has been named Fire Chief, it was learned here Wednesday.

Mr. Henderson will succeed John Eanes who has reported to the army for military duty.

Mr. Henderson has lived in Cameron for many years and is regarded as a fit man for the place due to his experience.

Mr. Eanes succeeded Monta Thomas and now Mr. Henderson succeeds Mr. Eanes.

Under a system worked out by the Fire Department the members, all volunteers elect their own chief, and he is in turn confirmed by the City Council.

## Dairy and Cattle Producers Are to Be Given Deferment

According to current instructions received from the Bureau of Naval Personnel, Washington, D. C. by J. B. Eady, Navy Recruiting Officer, Temple, the following is quoted:

"Up until the date an individual actually appears for his final physical examination and induction he is free to voluntarily enlist in the U. S. Navy."

The Bureau further states that recruiting in the United States Navy will not stop, except for men in II A II-B, and III-B, employed in essential Poultry, Livestock and Dairy Work. These men will have to obtain a release from their Local Draft Board, Eady said.

Texas' network of power lines consists of some 8,000 miles of high voltage transmission lines of 60,000 volts and over; approximately 20,000 miles of lines of 11,000 to 60,000 volts and thousands of miles of lines of lower voltage.

## Boys Who Break Street Lights Facing Arrest

Boys who break out street lights are facing arrest in Cameron.

City Marshal Gene Smith gave warning Tuesday that he will not hesitate to arrest these boys. Parents of boys who own nigger shooters and air rifles are asked to check with their son and to see they are not used to break out street lights.

Residents are asked to watch out for these boys who break lights and telephone their names to Mr. Smith and he will pick them up.

Mr. Smith said the city is required to pay from \$35 to \$50 per month for lights broken by mischievous boys and this must stop.

Mrs. Marie Schiller and sons from Buckholts were here Wednesday.

## ARMISTICE TO BE OBSERVED BY LEGION

For the first time in its history the American Legion will observe Armistice Day on November 11 with the nation at war.

The Legion was born in Paris at the close of the last war and all the men now in the Legion were under arms. Many of them are now in the army doing their bit in the second World War.

Observance of Armistice here will begin on Sunday, November 8, according to E. W. Streetman, who announced the program. Members of the post will attend church in a body at the Methodist Church where Rev. Bob Pool will deliver a special sermon.

All members of Edwin Hardy Post No. 9 are requested to meet at the USO hall in Cameron at 10:30 a. m. on Sunday. The men will march to the church to attend services in a body.

Due to War conditions the celebration this year will be a quiet one.

On the morning of November 11, Present Post Commander and Past Commanders will have their annual breakfast at the Cato Cafe in Cameron at sunrise.

At noon dinner will be served in the USO hall in Cameron.

No plates will be prepared ahead of time to be taken out. All plates taken out will be prepared after the dinner is served. Tickets are now on sale and in the hands of Dr. A. E. Kruse and his committee. Tickets will be honored at the door.

Col. Hal Horton of Camp Hood, widely known Texan and newspaper man will be the principal speaker.

At night a dance will be given at the USO hall.

The public is invited to be in Cameron on November 11. The stores will be closed and generally the day will be quietly observed.

## Bonfire and Snake Dance To-Night for Game Enthusiasm

Pre-game enthusiasm and support for the Yoemen is sought by fans and a big bonfire has been announced for tonight on the vacant lot next to the Church of Christ.

Charles M. Hicks, county superintendent will speak briefly. There will be a snake dance and the band will play.

Miss Eleanor Bowman was sponsoring the bonfire and big pep rally. There was every determination to get the fighting spirit high for the football game Friday night between Belton and Cameron. Says Miss Bowman's announcement:

"Come one, come all. Let's show the football team and the coach we are really behind them. Let's generate a little interest in seeing the Cameron Yoemen down the Belton Tigers. Come at 7:30."

## Howard Willie Is On Guadalcanal

Howard Willie, formerly of San Gabriel, and a brother of Mrs. Coy C. Arledge of Cameron, is on Guadalcanal with the United States Marines.

In a current issue of the magazine News Week of Oct. 26th his photo appears with a group of Marines doing repairs to a bomber and has been identified by Mrs. Arledge and others who know him.

Mrs. Arledge heard from her brother on Oct. 7th. He was reared at San Gabriel and is the son of Mr. and Mrs. E. A. Willie. Howard bought a farm on which his parents now live.

He volunteered from Longview. Another brother, E. W. Willie is in the air corps and a Sergeant at Brooks Field.

The first Texas railroad was the Buffalo, Bayou, Brazos & Colorado Railroad, chartered February 11, 1850.

Mrs. M. Janeway is out of town due to the critical condition of her father. He was not expected to live through the night.

Mr. and Mrs. Jim Hester of Lott and Mr. and Mrs. Ray H. Dixon and two children of Belmede visited Mr. and Mrs. L. H. Hilliar Sunday.

## NEW DEALERS SWEEP ASIDE IN NATION POLL

The Republican Party was near control of the House of Representatives in Congress as returns filtered in from over the nation.

The Republicans had gained 30 seats in the House and 8 in the Senate. While 70 places in the lower House were in doubt there was a strong possibility the Republicans may gain enough to get control over the lower body.

Commentators said Wednesday that farm voters in certain portions of the west and mid west had voted against Roosevelt because of his concessions to labor.

Another reason for the turn over was the failure of Roosevelt and his government to get in the fight. The people were tiring of bottle necks in Washington and there was a growing suspicion that lack of sincerity may have endangered the war effort, it was said.

This combined with the Axis vote in America has all but turned Roosevelt's government out.

The Democratic party, as it was known, has long ceased to exist, Mr. Roosevelt has filled up his cabinet with Republicans and his economic theories have swept a way much of what Democracy as a political force stood for in the better and brighter days of the Republic, said commentators.

Sam Rayburn, Speaker of the House, would lose his place, if the Republicans win.

In Texas the vote was brutally Democratic as usual. All amendments appeared to carry on early returns but the vote from the snuff belt was not in and may be days getting in from the cane breaks and hills.

### COMMUNITY CHEST

Solicitors for the Community Chest will call on the public, beginning Wednesday for the purpose of securing pledges for the coming year.

Citizens of Cameron have always contributed liberally to this cause, and it is expected that they will pledge to keep up this splendid work.

Subscribing of the Community Chest budget will insure continuance of the Child Welfare and Cripple Childrens Program, School Milk Fund and the many other worthy endeavors.

Regular meeting of the Eastern Star Chapter was held Tuesday evening, Mrs. W. G. Harsha, P. M. presiding in the absence of the Worthy Matron, Mrs. Crump, who is attending Grand Chapter O. E. S. being held in Houston this week. A covered dish supper was enjoyed in the dining room before the work began.

## First Subscription to Community Chest From Rev. and Mrs. J. P. Love

The first contribution received in the current Community Chest Drive was a check from Rev. and Mrs. J. P. Love of Louisville, Ky.

In a letter received by Albert Collins, Rev. and Mrs. Love stated that their hearts were still in Cameron and they wished to have a part in the Community Chest work in Cameron.

Community Chest in Cameron was instituted by Rev. Love a number of years ago. Mr. and Mrs. Love have spent most of their time and life in welfare work in Cameron, being especially interested in crippled childrens rehabilitation.

Many Cameron friends miss the Loves and remember with deep appreciation the splendid work they have done.

Mr. and Mrs. E. C. Gunn and two daughters of San Marcos were in Cameron last week to visit with his parents, Judge and Mrs. Ed Gunn.

Maj. Baird of Cincinnati, visited in the home of C. F. Spiller, and was accompanied by his wife to Washington, D. C. Mrs. Baird had been visiting here for two weeks.

Henry Hlavacek, farmer, of Elm Ridge was here Friday.

### CIRCLE MEETS

The Bernia Miles Circle of the Baptist Church met with Florene Hobson at 8 o'clock Thursday night. There were 7 members present.

Mrs. Earl Mosley presented a program on "Things we Should Know."

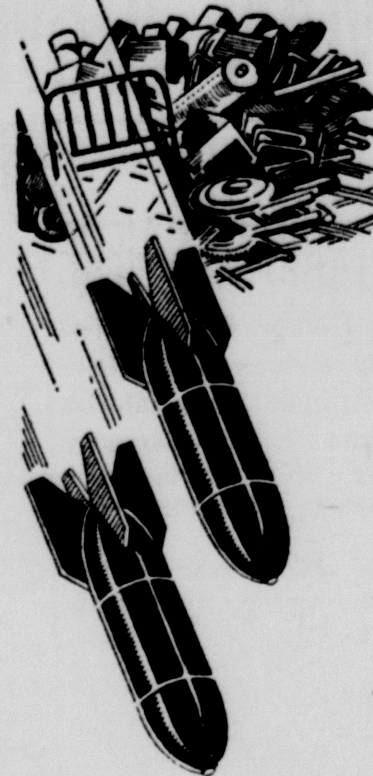

After refreshments, they decided to meet with Mrs. W. C. Wiese in Calvert. They had an invitation from her two weeks ago and are now accepting it.

On October 1, 1940, Texas had 208 power plants with an installed generating capacity of 1,177,200 kilowatts or 1,559,000 horse power.

Texas' power companies employ approximately 10,000 persons and have an annual payroll of more than \$13,000,000 annually.

The first electric power plant in Texas was erected in Galveston in the early eighties.

## ARMY BOMBERS CHASE FLEET FROM SOLOMONS

Land based army bombers under command of General Douglas MacArthur, had saved the gallant Marines on Guadalcanal Saturday by driving the Japanese high seas fleet from the Solomons area, it was officially said in Washington at noon.

Secretary of the Navy, Knox, gave out a statement in which he said all gains are being held.

General MacArthur's statement said that four motored army bombers attacking in waves, had chased the Japanese fleet to cover in adjacent island harbors and for the time the Americans are victorious.

The first phase of the battle has been fought and won by the Americans.

Official quarters predicted the battle will be renewed shortly and for an all out test of the American position.

In the desert war in North Africa the British were continuing their advance and the Reds were holding everywhere in Russia.

## Horse and Buggy Delivery Coming

Green & Boedcker store in Cameron have placed a notice with the Herald calling attention to changes in delivery service.

On and after a certain date which is mentioned in the ad deliveries will be made with a horse and buggy. Not for a quarter century has anything like this been seen in Cameron.

The delivery back has been ready for some time and the clop, clop, clop of horse hoofs on the pavement will be coming back soon.

## Belton Sweeps by Rockdale to Step Out of 31a Cellar

Rockdale, Oct. 30.—Belton's Tigers, trailing Rockdale's Tigers 6 to 0 at the start of the second quarter, ran up a 16 to 6 count at the half then went to work in earnest the second half, finally stopping at 45 to 6. It was the Belton's first district win of the season.

Rockdale scored quick in the early part of the first frame, and the surprised Tigers simply couldn't get going in high until the second half. Big Bubba Muehlhause, powering fullback, led the Belton march, racking up four touchdowns. First downs were 13 to 7 in favor of the Belton Tigers.

Along with Muehlhause, H. C. Chapman and Potts looked best for Belton. Edlee Krause and Marian Burgess were outstanding for the losers.

### BAPTIST YWA

The Baptist YWA had a Slumber Party last night in the home of Miss Ann Sanders.

The members decided they would see the football game first and then go on to the party. Those present were: Ann Sanders, Marie Mode, Gloria Halberdier, Jean Lowe, Carrie Bill Kuhel, Betty Lou Angell, Mrs. Willis Dismukes and Evelyn Jean Dusek.

A midnight lunch was served consisting of sandwiches, fritos, cookies and hot chocolate.

At about 15 minutes until 8 o'clock this morning the girls enjoyed a delicious breakfast cooked by Ann Sanders, Mrs. Sanders and Mrs. Willis Dismukes.

## ANGER BOILS UP OVER PLIGHT OF SMALL BAND

The valor of Wake Island was asserting itself again as the heroic Marines on Guadalcanal threw back wave after wave of Japanese troops in the most bitter fighting of the entire war.

Help must be carried to the Marines or they cannot hold out indefinitely. Suppressed anger was boiling to the surface in many places as the people reached the saturation point in accepting excuses. At no time since the war began has the United States had enough men at any point to hold off the enemy in land action.

While Washington heard from the country on bungling of the navy command speculation was giving some hope that reinforcements might be gotten through to the Marines. The big naval battle was yet in the offing.

The Navy Department said that the Japs have superiority in naval strength. Japan has yet to come back for more after being whipped in a naval fight with the American fleet.

The Marines were in danger of attack from the sea as a Japanese naval squadron was reported closing in to reinforce landings and to blast the Henderson air field, so vital to the success of the Solomons campaign.

The Germans were getting the worst all along the 2000 mile Russian front now made cold by winter. The Reds were battering the Nazi on the Stalingrad front and were holding at every other point in the line from Leningrad to the Caucasus.

The British offensive in North Africa was still under way. Large forces of Allied aircraft had about won mastery of the skies over the desert battle front.

Thus far the British air force and fleet have kept supplies away from General Rommel.

## Wright Price, Jr., is Enlisted as Cadet in Navy Flying School

Wright Mose Price, Jr., son of Mr. and Mrs. W. M. Price of Cameron has been selected for training as a Naval Aviation cadet and will be ordered to active duty shortly.

Graduated from C. H. Yoe High School, Cameron, in May 1941, he was a member of the school band for 3 years, playing saxophone and clarinet, and was also a member of the FFA Club.

When ordered to active duty, he will report to the U. S. Navy Pre-Flight School, University of Georgia, Athens, Ga., for three months of physical conditioning, instruction in naval essentials, military drill and ground school subjects. After completing this course, he will be sent to one of the Navy's numerous reserve bases for primary flight training.

Our next meeting will be November 6, 1942.

Lurlene Shuffield, Temporary Secretary.

## Powerful Taylor Ducks Run Over Burbank, 20 to 6

Taylor, Oct. 30.—The powerful Taylor Ducks, undefeated in the district, stepped out of the district here tonight to smash the reputedly powerful and favored Burbank squad, 26 to 6.

On a 95 yard drive in the first quarter, Seale took the ball over for the Ducks, and in the third Seale carried the oval across again, this time on a short play. Bell took the ball on a round play in the second for the only Burbank marker.

Swenson trekked into pay dirt on a ground play in the 3rd and Struska found his way across the line in the fourth.

Nelson, McGinnis and White starred in the Duck line. Seale, Swenson and Jarosek looked good in the backfield. Bell and McArthur shone in the Burbank back.

## Killeen Defeats Yoemen, 14 to 6

Outplayed in everything but their passing, the Killeen Kangaroos barely managed to eke out a 14 to 6 win over the weaker Cameron Yoemen here tonight.

Toliver was practically a one-man team for Killeen, shooting a well-aimed pass from his own 35 to Duncan in the first quarter, good for 40 yards and the first tally, and rushing through center for 15 yards and across in the second, and converting both times. Torno took the ball over from the three in the final quarter for the Yoemen.

Cameron scored 11 first downs against Killeen's seven. Cameron tried 17 passes, completed eight for 45 yards. Killeen tried eight passes, completed six for 85 yards. Cameron gained 167 net yards from scrimmage, while Killeen gained 102.

Cosby starred in the Yoemen backfield, while Michalka and Heath shone in the line.

## JACK TELPHER BURIED IN ROCKDALE FRIDAY

Jack Telfer, 69, died Friday morning at his home in Cameron at 6 a. m.

He was born in Scotland and came to Cameron in 1913 and engaged in the market business.

He suffered a stroke 3 years ago from which he was unable to recover.

The pall bearers were: Sam Kestbaum, W. J. Johnson, Thomas Johnson, W. A. Beal, Joe Tomasek and Adolph Winfield.

He was buried in Rockdale Friday at 4:30 in the Jewish Cemetery.

In 1940, the power industry in Texas supplied more than 4,520,000,000 kilowatt hours of electricity to about 997,700 customers in more than 1,600 towns, villages and communities.

## No Returns Available Here on Milam County Election; Vote Low

No returns were available here Wednesday from the general election in Milam county.

Returns were made to the office of the county clerk but no totals had been made. It may be several days before any returns can be obtained.

Returns will be slow coming in as usual. It was estimated that the number of votes cast will be very low for the county.

An effort was made by the Daily Herald to obtain the returns from Cameron boxes but this had not been totaled and was not available. Enough was learned to indicate that all the amendments were defeated in Cameron.

Republicans polled only a few votes. The Herald hopes to bring these returns as soon as available.

The Commissioners' Court will meet November 12th to canvas the returns and official figures may be available after that time.

## What You Buy With WAR BONDS

A pelorus, used by the Navy, is a device which fits over the surface of a compass to enable the operator to take bearings on distant objects. It has split hair sights, has been in use for many years . . . and costs approximately \$125.

These instruments are essential equipment to every American ship which comes out of the shipyards. With the scores of ships now being completed each month, we need many of these instruments. Your purchase of War Bonds and Stamps will help pay for them. Invest at least ten percent of your income every payday in these interest bearing Government securities.

## What You Buy With WAR BONDS

The Navy is making a plea to civilians to turn in their binoculars for military use during the war. The Army and Navy both need binoculars for navigation and scouting purposes. Depending on the power of the lenses, they cost from \$50 to \$80 each.

If you have a set of 6 x 30 up to 7 x 50-power lenses binoculars loan them to the Army or Navy. If not, your purchase of War Bonds and Stamps will help buy this equipment for our fighting forces. At least ten percent of your income in War Bonds every payday will do the job . . . and provide the "eyes" through which a scouting pilot may spot an enemy battleship.

## 3 CRUISERS AND FIVE DESTROYERS IS TOLL

Eight Japanese warships, three cruisers and 5 destroyers were sent to the bottom on October 11th by United States naval task forces off the Solomons, it was revealed Tuesday by Secretary of the Navy, Frank Knox.

This supplements another report on the battle for that date. The announcement came at a press conference in Washington early Tuesday when the Secretary said that Allied airmen had turned back another Jap attempt to strike at Guadalcanal and the Solomons.

The new Jap attempt came on Monday. Several warships were hit, some sunk and a few transports were sunk.

Secretary Knox warned against undue optimism and said that the Japs have considerable strength left and are expected to strike again. This statement would indicate that the toll of Jap warships has been heavy.

There was every indication that the battle in the south Pacific was going strongly against the Japanese. They must return at once to make a show down battle of the Solomons or lose this strategic spot in the global war.

The largest tank battle in history was being joined in the desert of North Africa. Berlin radio broadcasts indicated that the British are using some 500 to 1000 tanks in the battle, which has taken on new fury and in which have joined land, air and sea forces.

It appeared that General Rommel whose troops are weary may be facing defeat unless reinforcements can be sent to him.

There was an undercurrent of feeling that the battle has taken on greater seriousness since the threat to Turkey and the Allies want to clean out Rommel's army before Hitler strikes in the near East.

Meanwhile the Nazi had advanced in Russia but the situation was well in hand.

Lannis Petty of Sharp was here Tuesday.

## Miss Agnes Hebner of Cameron Becomes Bride Of Cadet Erwin Wied in Big Springs, October 8

Miss Agnes Hebner of Cameron and Cadet Erwin Wied, formerly of Burlington, were married at 8:30 Wednesday night, Oct. 28, 1942, at St. Thomas Catholic rectory in Big Springs, with the Pastor, the Rev. Geo. Julian reading the single ring ceremony.

The rectory was decorated with baskets of gladioli and chrysanthemums.

The bride wore a grey blue tweed suit with blue and tan accessories. Her corsage was of white gladioli and pink carnations.

Attendants were Helen Duley and Cadet Tom Dempsey. The couple will be at home at 105 E. 17th, Street. Cadet Wied is stationed at the Big Springs Bombadier School.

The bride is the daughter of Mr. and Mrs. Fitz Wied. The bride was graduated from the Yoe High School in Cameron and later took a business course in Houston. She was formerly employed at Gohmert's Variety Store for several years.

Cadet Wied was graduated from Rosebud High School and before entering the army was employed at Planters National Bank in Rosebud for several years.

Approximately 100,000 miles of telegraph wire are in use in Texas.

### BIRTHDAYS ARE ONE REASON FOR CELEBRATING

We're celebrating a birthday this month, and we're making quite an occasion of it.

Birthdays are one reason for celebrating. But in times like these, we're likely to forget the many other reasons we Americans have for gratitude and celebration.

In spite of wartime pressures, we still have free choice in every important thing that goes to make up our daily lives.

For example, nobody tells you what to buy, and where to buy it. If you like Penney's, the goods we sell and our prices, you may shop with us. If not, you are free to buy elsewhere. Let us, then, stop to think how much life in America means to us all—and realize how much we have to fight for!

From where I sit...

by Joe Marsh

LAST Saturday night we were settin' around Jeb Crowell's house, and from upstairs we hear the squawks those Crowell youngsters put up while their Ma was dunkin' 'em in soap and water. Causes Jeb to comment:

"Just shows how times change. Used to be a law here in America that nobody could take a bath without a doctor's prescription!"

Then we got talking about the funny laws some people have put through in this country—like the state where they made it against the law to wake a man up if he's sleeping on the railroad tracks.

"Railroad law I once heard about," says Basil Strube, the stationmaster, "said when two trains meet at an intersection, neither can proceed until the other one has gone ahead."

"How could that be a law?" asks Pete Swanson. "That just don't make sense."

"Lots of laws don't make sense," says Jeb. "Why just think! We're livin' in a land where most folks

hold for tolerance and understanding. And yet it wasn't so long ago we had a law of Prohibition. Account for that, if you can."

Well, he had us there. Here's America—where we set so much store on seein' the other fellow's point of view—havin' such a law. Now that it's all over, it's hard to realize how people put up with a law like that, even as long as they did.

From where I sit, a man's got every right to enjoy a satisfyin' glass of beer when he wants to quench his thirst. Beer's a friendly drink. It's a drink of moderation, too. And most folks—even the ones that don't drink beer themselves—are tolerant enough, nowadays, to respect the rights of folks who do.

Jeb was right—we've got mighty strange laws in this country.

Joe Marsh

## A BIG MAN FOR A BIG JOB

Producing FOOD for  
the Armies of Freedom

You ask me if I can grow enough food to feed the Armies of Freedom. I'll try, Mister. It's a big job, what with labor so short and equipment hard to get, but I can do it! You can count on that!

Our country has given us farmers the tools to do it with, and we're in this fight to keep them, along with our freedom. We'll grow the cotton for uniforms and explosives, the grain for alcohol, wheat for bread, corn for livestock. We'll grow enough for you and the armies of freedom on every front.

Just keep doing your job, Mister. We're in this war up to our ears. We've got to pull together now, brother, one and all... or quit!

## FARM COMMITTEEMEN ELECTED NOVEMBER 13

Milam County's farmers will elect next year's AAA Committeemen Friday afternoon, November 13, 1942, at 2:30 p. m.

According to C. W. Hinyard, Secretary, Milam County ACA, community committee elections will be held at the following Places:

Ben Arnold, Clarkson, Baileyville, Jones Prairie, Branchville, Maysfield, Marlow, Hanover, Gause, Milano, Minerva, Rockdale, Hamilton Chapel, Pleasant Hill, Thorndale, Bushdale, San Gabriel, Sharp, Davilla, Sandy Didge, Cornith, Buckholts, Yarellton, Cameron and Salem.

Delegates to the county convention and alternate community committeemen also will be elected at these meetings, the Secretary said.

In county convention Saturday morning, the County delegates will select the county committees who will head next year's AAA program.

"We have a tough battle to fight on our farms next year and we need our best leaders on AAA Committees to help out," the Secretary explained.

Although county USDA War Boards have done an excellent job of charting the country's war time agricultural course, they need assistance from other county leaders, he explained and added that in all probability some of the increasing responsibility would be shifted to community AAA committeemen.

**HERE we are ... dying like men, but we beat the record.**

Lieut. A. W. Greely

*The noted explorer, Greely, wrote these words in his diary as he and six companions lay starving in their bleak hut in the Arctic after carrying the American flag to the point farthest north up to that time. They were finally rescued in June, 1884, but not until 18 of their comrades had died.*

## What You Buy With WAR BONDS

The "Stovepipe," as the 60-millimeter trench mortar is commonly known, is used by our infantry for close-in fighting. It fires a 2.4-pound shell at the rate of about 35 a minute.

The mortar fires its projectile in a U-shaped arc and for this reason may be successfully camouflaged behind an obstruction. It costs about \$500. You and your neighbors, joining together, can buy many of these effective weapons for use of our Army. Investing at least ten percent of your income in War Bonds every payday will do the job. Get on the firing line on the home front . . . join the "Ten Percent Club."

Mrs. John Mode had a reunion of her family this week. Some of the children were not able to come but those present were: Wilson Mode from Sacramento, Calif., who is now being moved to St. Joseph, Miss., Mrs. Luckett and children of San Antonio; Mrs. Lawless and son, Bobby, from Goose Creek and Gerald Mode from San Antonio.

Texas is the largest natural gas-producing state in the Union, and it is also the largest consumer.

## Gift to Home Here That Was Kind to Men From Camp Hood

Kindness to men in service who visit Cameron got its reward last week when Mr. and Mrs. Paul Laake received a gift of a 56 piece dinner set from Mr. and Mrs. H. J. Schon of Chester, West Virginia.

Since June when men from Camp Hood began visiting Cameron on week ends, Mr. and Mrs. Laake have entertained in their home. Dale Schon, Ralph Bowman and Glenn Hism all of Chester, West Virginia, were invited to the Laake home on several occasions.

Last week they received a letter from the parents of Pvt. Schon thanking them for the kindness to their son. Within a few days there came a gift from the Schon's and Mr. and Mrs. Laake are deeply grateful for this gift.

## WASHINGTON

By  
CONGRESSMAN POAGE

All activity in Congress is at a practical standstill until the 9th of November. The House has been in session each day, but the leaders have repeatedly stated that no controversial issues will be taken up. The reason for this is the fact that after the House passed the New Selective Service Bill making men of 18 and 19 subject to service it was expected that the Senate would act without delay. The Senate did, however, delay two weeks. During that time many members of the House got tired of waiting and went home (all of the members, except those of us from the "Solid South" have campaigns in the general election.) Therefore, unless the Senate finally sent the bill back with a series of amendments, which the military authorities say make it unworkable, it was impossible to get a great many of the members of the House together. The leaders did not want to pass on such far reaching amendments without having all or nearly all of the Representatives present. They, therefore, announced that no further action would be taken on this bill until November 9th, when it is expected most of the membership will be in Washington.

I think that it is unfortunate that this delay has occurred as I fear that if the new bill is not put in effect soon that there will be thousands of fathers called who should be left with their families. This was, after all, one of the most serious questions involved in the lowering of the draft

age. We had the choice of drafting young men, 18 to 19, or taking older men who had children of their own. No one enjoys the duty of drafting either group, but I felt and still feel that it is better to take the younger men who do not have so many others depending on them, than it is to call the man with children. It now seems that if we should accept all of the Senate Amendments, and, in effect make it impossible for the Army to use these younger men that we would probably wind up with the necessity of drafting both the young men and the fathers. I believe that we must give the control of the training, movement and use of our armies to our military authorities. The experience of the past has always been that political control (that is control by non-military men) reduces the effectiveness of any army and, naturally, results in greater losses to the very men who are supposed to be protected. We must all realize that we are engaged in all-out-war. We can't win it by half way measures. We can't win it without sacrifice. On the other hand the sooner we are willing to make real sacrifice the sooner we can win this war and make sure that we won't be forced to undergo the sacrifices of the conquered countries.

Wednesday (October 28) I was privileged to sit in a small group and discuss the problem of inflation with the Chairman of the Board of Governors of the Federal Reserve Banks. I wish every citizen of the 11th District could have been present. Mr. Echols pointed out that all of our present price controls and even our present high taxes could not prevent still higher living costs, unless we

went much further and established a system of forced savings to take up the surplus spending power that many (not all) of our people have. He pointed out that there would be less civilian goods for people to buy this coming year, but there would, even after the payment of taxes, be more money with which to buy them. Naturally, this will force prices up even though it may be bootleg markets. The remedy, he suggests, is to require people to invest this surplus buying power in government bonds, because, as he points out, the actual money cannot buy any more goods. The total supply of civilian goods is fixed. It cannot be increased. Therefore, if we have more money, as a Nation, than is necessary to buy all of these goods, we should save the surplus money, rather than forcing prices up.

With best wishes.

## CARD OF THANKS

We are deeply appreciative of the kindness shown us by friends and neighbors during the recent illness and at the death of our wife and mother, Mrs. Jake Richards. An Army motor trailer looks much like any other automobile trailer which may be seen on the highways or in the tourist's camps. The Army's trailers are used as traveling hospitals, dental clinics and testing laboratories.

These mobile surgical or dental units are hauled to their destination and the trucks released for other purposes. They cost from \$1,200 to \$3,000 and weigh from 1½ to 8½ tons. You can help pay for them . . . help keep our Army fit. Invest at least ten percent of your income in War Bonds every payday. ## CHRISTIAN SCIENCE SERVICES

"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 8.

The Golden Text is: "As by one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous." (Romans 5:19.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The righteous shall inherit the land, and dwell therein for ever . . . The law of his

God is in his heart; none of his steps shall slide." (Psalms 37:29, 31.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The great truth in the Science of being, that the real man was, is, and ever shall be perfect, is incontrovertible; for if man is the image, reflection, of God, he is neither inverted nor subverted, but upright and Godlike." (Page 200.)
